Reiki Practitioner Course – Part 2 – Reiki Second Degree (Okuden) Application Form

Sunday,, 2011 (fill in the date you wish to attend)

This course has two parts: a period of private study using materials we provide, and one tutorial day spent receiving empowerments and doing practical energy work, putting what you have learned into practice at the course venue with the teacher and the other students.

Course Study Pack

This is sent 3 weeks prior to the tutorial and consists of a comprehensive Reiki 2 manual and the Reiki 2 audio CD. It will give you a good grounding in the use of Reiki symbols. You will be asked to focus on specific parts of the manual so that you arrive on the day course well prepared.

Tutorial Day

Most of the day will focus on practice rather than theory. You will receive 3 Second Degree Reiju empowerments enabling you to 'hold' and channel more energy than was possible at First Degree. You will learn how to use the 3 Reiki symbols and mantras to make your treatments even more effective (both on yourself and others). You will learn how to work intuitively (Reiji Ho) and to carry out distant healing etc.
